# Pathogen Blaster

## Dietary Supplement Detoxifier and pH Balancer

4 Fluid Oz. (118.2 mL)

**CAUTION:** Do not use PB if bottle has been tampered with. Keep out reach of children. If under a doctor's care or taking meds consult w/your physician before taking any supplements.

**SUGGESTED USE** First 3 days take 25 drops of PB in 1 oz. of the purple grape juice to reduce aftertaste or it is best to buy 00 empty vegetarian capsules, each VCAPS holds 25+ drops, swallow with water.

**NOTICE:** Don't take PB on an empty stomach.

**FOR TOTAL BODY DETOX** After 3 days @ 25 drops a day, increase drops to 50 per day for 3 days, then 75 drops for 3 days until you reach 150 drops per day for 3 days or until experiencing a major flushing of the body (diarrhea). Then decrease back down from 150 daily to 125, 100, 75, 50 and stay at 25 drops daily for preventative maintenance.

### **PB MAKES NO CLAIMS**

Customers report great results. But you must decide if PB helps increase your vitality for life as others have claimed and if it does then please let us know.

**USES** A Dietary supplement.

**PUBLIC NOTICE** Any statements by PB have not been evaluated by the F.D.A. Thus PB makes no claims. PB is not intending to diagnose, treat, cure, or prevent any disease or sickness. Consult w/ physician.
