

**INTRODUCTION:** TLC designed a Bioavailable Liquid Supplements derived from ancient plant life so you'd have all the essential natural Vitamins, Minerals, Trace Elements and Amino Acids possible in Ionic, Fulvic and Humic form to better penetrate cells, help hydrate the body for a much healthier life. We made sure it was Ph balanced too, which is very important, and best of all we made it tasteless so children of all ages would love it. There's nothing else we know of like it! It does not have to taste awful to be good for you. Drink it straight swishing it in mouth and under tongue, or mix in large glass of water, juices, milk and drink.

**DIRECTIONS:** Recommended dosage minimum of 1 oz. (30ml) /day straight under the tongue, or with large glass of non-chlorinated water or fruit juice. For other needs up to 2 oz. (60ml) in a large glass of non-chlorinated water or fruit juice, three times a day or as directed by your health care professional. Store away from heat and sunlight. Refrigeration is optional.
